**Global availability**

Because different countries around the world have different laws and regulatory requirements, some products are available in some countries and not in others. This site contains references or cross references to Syngenta products, programs and services that may not be available or announced in your country. These references do not imply that Syngenta intends to announce such products, programs or services in your country. Consult your local Syngenta sales representative or contact Syngenta if you have questions about which products, programs and services may be available to you.

**Right to alter web site**

Syngenta reserves the right to alter the content and functionality of this web site in any way, or to limit access to this web site, or to shut down this web site, at any time, for any reason, without prior notification, and will not be liable in any way for possible consequences of such changes.

**Not an offer or invitation to invest**

The information on this web site does not constitute and shall not be deemed as an offer or invitation to invest or otherwise deal in shares or other securities of Syngenta. Nor is any such offer or invitation being made or solicited. Share prices, and income from those shares, may go up or down at any time, and potential investors should be aware that past performance is not necessarily an indication of future performance. Potential investors should seek independent financial advice prior to any investment decision.

**Forward-looking statements**

Our web site may contain forward-looking statements - i.e., statements not of historical fact, including statements about our beliefs and expectations. These statements are based on current plans, estimates and projections, and therefore readers should not place undue reliance on them. These statements involve inherent risks and uncertainties, many of which are outside of Syngenta's control. In our filings with the U.S. Securities and exchange commission, we have identified certain factors that may cause actual results to differ materially from those contained in these forward-looking statements. Forward-looking statements speak only as of the date they are made, and we undertake no obligation to update any of them in light of new information or future events.

**Disclaimer of warranties**

This web site is provided on an "as is," "as available" basis, without warranties of any kind. To the fullest extent possible pursuant to applicable law, Syngenta and its affiliates disclaim all warranties, express, implied or statutory, including, but not limited to, implied warranties of merchantability, fitness for a particular purpose, and non-infringement. Without limiting the foregoing, Syngenta does not represent or warrant that this web site will be available at any particular time or location or that its operation will be uninterrupted or error free. Syngenta does not represent or warrant that the content of this site is free of viruses, worms or other code that may manifest contaminating or destructive properties. Although Syngenta has made and will continue to make great efforts to provide accurate and up-to-date information, information published on this web site may be incomplete or outdated and may contain inaccuracies or typographical errors. representations regarding the use, validity, accuracy, currency or reliability of, or the results of the use of, or otherwise respecting this web site or any information published on this web site.

**Limitation of liability**

Your use of this web site is at your sole risk. Under no circumstances, shall Syngenta, its affiliates or any of their respective directors, officers, employees, or agents, be liable for any direct or indirect losses or damages arising out of or in connection with your access of, use of or inability to use this web site or your reliance on any information provided on this web site. Without limiting the foregoing, Syngenta shall not be liable in any way for possible errors or omissions in the contents of this site; this applies in particular to any references to products and services supplied by Syngenta. This is a comprehensive limitation of liability that applies to all losses and damages of any kind whatsoever, whether direct or indirect, general, special, incidental, consequential, exemplary or otherwise, including without limitation, loss of data, revenue or profits. This limitation of liability applies whether the alleged liability is based on contract, negligence, tort, strict liability or any other basis and even if an authorised representative of Syngenta or its affiliates has been advised of or should have known of the possibility of such damages.

Some countries or some political subdivisions of certain countries do not allow the limitation of liability set forth above, so this limitation of liability may not apply to you. If any part of this limitation of liability is found to be invalid or unenforceable for any reason, then the aggregate liability of Syngenta and/or its affiliates under such circumstances for liabilities that otherwise would have been limited shall not exceed one hundred (\$100.00) dollars.
