

two is better than one

3 reasons to choose **DIVIDEND® EXTREME** for your small grain seed treatment:

1. Protect your seed investment: 2 active ingredients protect the seedling from seed- and soil-borne diseases, which improves seedling establishment.
2. Systemic action: both active ingredients are absorbed by the seedling to ensure that the young plant is protected against diseases from the outset.
3. One can, 2 solutions: one product controls a wide range of seedling diseases.

DIVIDEND® EXTREME. The smart two-in-one solution to help protect your seed investment.
